

LET THE HOLIDAY BEGIN – KICK BACK AND RELAX ON COMFY OUTWELL CHAIRS, SOFAS AND LOUNGERS

Scandinavian outdoor specialist, Outwell, has expanded its furniture collections to add more choice that successfully combines performance and comfort with contemporary style that will grace any tent, caravan, motorhome or patio.

Home comfort and convenient packed size are top priorities in the 2020 Furniture Collections alongside the Scandinavian brand's signature emphasis on innovation, quality and design excellence. And the furniture collections each address the needs and aspirations of outdoor families and friends no matter their outdoor life.

Expanded and updated for 2020, the popular **Relax** light and sturdy folding furniture offers outstanding comfort. Stable, comfortable and supportive designs combine rugged steel frames with durable, well padded, two-tone and solid fabrics. News for 2020 includes the addition of the Fremont Lake chair (pictured left) with a wide fit, the small packed size Tally Lake (pictured left) with high back and arm support, plus the dual-function, multi-position Fontana Lake bed/sunbed (pictured below right).

With five superb chairs offering a wide range of options, **Comfort** folding furniture delivers outstanding comfort. Each style has a durable, smart diamond pattern fabric over sturdy steel frames; all chairs feature armrests and cupholders. The neat packed size makes transport easy whilst their dual functionality as chairs for relaxing and dining extends versatility. New for 2020, the small packed size Draycote chair (pictured left) that features a high back and supportive armrests.

With colour options in ingenious folding styles, the lightweight chairs in the proven **Leisure Collection** all deliver quality support and superb comfort. The practical design of the sturdy, powder-coated steel frames ensures all open smoothly and pack away easily into carry bags. New for 2020 is the Catamarca Sofa (pictured right) with a high back and wide seat, but a small packed size volume. The seat height allows it to be used as dining chair and it has a handy cupholder. Also new is the Goya XL (pictured left) with a maximum load of 150 kg.

The **Ergo Supreme Collection** is all-new for 2020 with designs enjoying full padding for top comfort. All are made in a smart, durable two-tone fabric/400D snowy fabric with a 500D polyester solid colour at the back. The Fernley (pictured left), Trenton and Marana chairs feature an integrated head rest, seven position adjustment and can have the Henderson footrest attached. The Evansville lounge has an integrated headrest, locking adjustable positions and a side table with cupholder whilst the Gresham sunbed (pictured right) has five position support and a detachable pillow.

With versatile designs and practical features, the four **Ergo Core** lightweight, comfortable chairs, a lounge and a sunbed offers young and fresh designs that are light, easy to pack away and ideal for holidays on the move in tents or campervans. For 2020, established models are joined by the adjustable Tenby sunbed Ramsgate adjustable lounge with removable pillow (pictured left) and Cromer high back, five position chair with built-in-pillow (pictured right).

Suitable for indoor and outdoor use, the **Inflatable Furniture Collection** continues to offer home comfort and style in a variety of smart, comfortable and functional designs. The luxurious **Ergo Flexi** range of padded cushion chairs, loungers, bed and a footrest benefits also remains unchanged with campers appreciating the quick-drying foam padding, Textiline mesh fabric and easy grip armrests. The smart and practical **Ergo Prime** chairs, loungers and stools focuses time-proven best-sellers that are easily adjusted to suit individual needs and pack away neatly for transport.
